

Volume 19 number 1 \$0.00 U.S. January 1, 2016

Dear Lake Neighbors,

It is time again for consideration of renewing the maintenance contract on our beautiful back-yard lake.

As you are aware, two years ago, there was a change in treatment plans causing a significant increase in the monthly charge. The result, however, was that the problem with algae was brought under control, and we have had a clear lake throughout the entire year, something we have not had for the past number of years.

There is no increase in the monthly rate this year.

I hope that you all will agree that we continue with the service, knowing that without on-going control, the lake quickly can turn to an unsightly, smelly mess. Last year, two residents did not participate at all, and I paid those shares besides my own share.. I truly hope that everyone can find a way to participate something this year.

Please, if you do not desire to contribute, please indicate as soon as possible.

Kurt
