

Dear neighbors,

Recently, you received a letter asking if you will contribute toward the annual lake maintenance fund. Most of you replied favorably and I thank you.

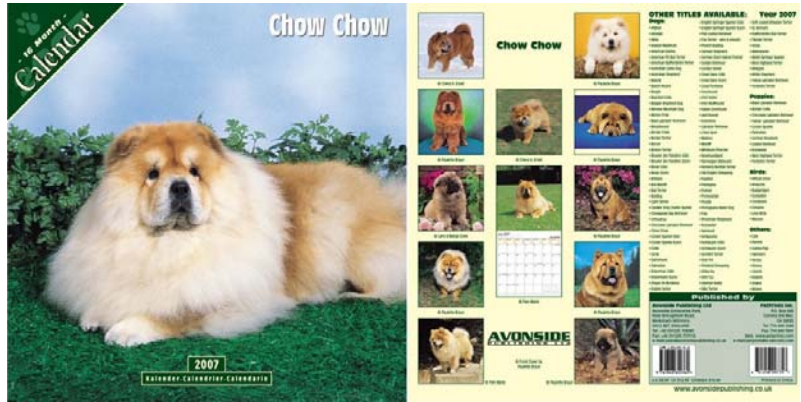

As before, we are not at 100% participation however we are maintaining previous levels. This year, we gained one and lost one. I am still hoping that the non-participants will reconsider as they too benefit from the beauty of the lake and/or suffer if it turns bad.

As stated in the previous letter, the monthly charge by the maintenance company (Aquatic Systems) is \$163.00, up from last year. With 11 out of 15 property owners willing to participate (one waived), I am requesting individuals contribute \$178.00/year towards this yearly contract which begins November 1st 2006. Should additional residents decide to contribute later, I will refund any excess collected.
